Procédure
Insérer un popup
SG Autorépondeur
sur Joomla

Introduction

- **Voici une méthode permettant d'utiliser une popup sur votre site Joomla* utilisant un formulaire SG Autorépondeur.**

** Valable pour la version 3.7 de Joomla*

Procédure

Télécharger le module
« Popupaholic » pour Joomla :
<http://www.graphicaholic.com/demos/extensions/popup-aholic>

Installer le module depuis
Joomla.

Configurer le module installé et
utiliser la position « analytics »
ou « debug » du template.

The screenshot shows the Joomla! administrator interface for the 'PopUp Aholic' module configuration. The browser address bar indicates the URL: `panoramix.cabsis-vmware.local/administrator/index.php?option=com_module`. The Joomla! logo is visible in the top right corner of the interface. The configuration page includes a 'Title' field with the value 'PopUp inscription'. Below the title, there are tabs for 'Module', 'Menu Assignment', 'PopUp Box Styles', 'Advanced', and 'Permissions'. The 'PopUp Aholic' section is active, showing a 'Site' tab and a description: 'PopUp Aholic is a full featured FREE Joomla 3.x popup model box module.' To the right, there are settings for 'Show Title' (with 'Show' and 'Hide' buttons), 'Position' (set to 'analytics'), 'Status' (set to 'Published'), 'Start Publishing' (2017-08-21 15:38:00), and 'Finish Publishing'. At the bottom, there is a preview of the popup box with the text '30 minutes offertes!'.

Procédure

Onglet Module :
Basculer en édition Code Source.

Insérer avec un copié collé le code du formulaire HTMH SGAR (ne pas utiliser le code popup ou hellobar).

Supprimer tout le code présent **AVANT** la balise <style>.

```
<style type="text/css">#SG_FORM36398{
  display: block;
  background: #212A33;
  color: #FFFFFF;
  width: 280px;
  margin: 0 auto;
  text-align: center;
  font-family: sans-serif;
  overflow: auto;
  white-space: normal;
  font-size:14px;
}
#SG_FORM36398 #SGF_Header{
  display: block;
  width: 100%;
  margin: 20px auto;
}
#SG_FORM36398 #SGF_Header h1 {
  font-size: 2.0em;
  font-weight: 600;
  display: block;
  margin:0;
  background: #FFFFFF;
  color: #212A33;
  padding: 5px;
}
```

Procédure

Popup Box Styles :

Configurer l'aspect du popup, temps d'affichage retardé, couleur de fond, etc...

Menu Assignment :

Définir les menus associés au module.

The screenshot shows the 'PopUp Box Styles' configuration page in a web application administrator interface. The page includes a navigation menu with options like 'System', 'Users', 'Menus', 'Content', 'Components', 'Extensions', and 'Help'. Below the navigation menu, there is a toolbar with buttons for 'Save', 'Save & Close', 'Save & New', and 'Save as Copy'. The main content area is divided into tabs: 'Module', 'Menu Assignment', 'PopUp Box Styles', 'Advanced', and 'Permissions'. The 'PopUp Box Styles' tab is active, showing a list of configuration options with dropdown menus and input fields:

- Show Close Button?: Yes
- Close popup box only with X?: No
- Popup Load Effect: Elastic
- Popup Exit Effect: Elastic
- Background Overlay Color: rgba(0, 0, 0, 0.8)
- Box Background Color: rgba(255, 255, 255, 0)
- Box Text Color: rgba(0, 0, 0, 1)
- Box Radius: 0
- Box Border: No
- Box Shadow Effect: No
- Four Corner Padding: 20

At the bottom of the page, there is a status bar with information such as 'View Site', '0 Visitors', '1 Administrator', '0 Messages', 'Log out', and 'BoU Ac'.

Procédure

Onglet Module (out ne bas) :
positionner à Yes l'option Set Cookie
Session et définir la durée en
secondes de conservation du cookie
(pour éviter que le popup ne
surgisse à nouveau de manière
intempestive durant la navigation de
l'internaute)

The screenshot shows the Joomla! administrator interface for a popup module. The browser address bar indicates the URL: `panoramix.cabsis-vmware.local/administrator/index.php?option=com_module`. The page title is "Modules: mod_popupaholic - Te". The navigation menu includes "System", "Users", "Menus", "Content", "Components", "Extensions", and "Help".

At the top, there are buttons for "Save", "Save & Close", "Save & New", "Save as Copy", and "Close". A notification box displays "Informations confidentielles, aucun spam envoyé." Below this, there are buttons for "Menu", "Contact", "Article", and "Image".

The configuration settings for the module are as follows:

- Responsive or Static Box: Responsive Box
- Set Box Timer in Seconds: 60
- Set Cookie Session: Yes
- Set Cookie Session: 1800
- Delay Popup on Page Load: Yes
- Delay Popup in Seconds: 7
- Get box data from: Above Custom HTML

At the bottom, the status bar shows: "View Site | 0 Visitors | 1 Administrator | 0 Messages | Log out | BoU Active | Joomla! 3.7.5 -".

Procédure à suivre

Merci !

N'oubliez pas de tester et de vérifier le bon déroulement avant de mettre en service.
